

# Plantapon® SF

## For natural and alternative body & hair cleansing concepts

- Mild surfactant base as alternative to sulfate based surfactants, for body & hair cleansing concepts, particularly baby cleansing concepts
- Natural-oriented and environmentally friendly
- Excellent EO-free thickening using Lamesoft® PO 65 and common thickeners
- Additional care effects via Lamesoft® PO 65: the biolipid for lipid layer enhancement, skin smoothness and 24h moisturization
- Superior foam behaviour compared to other compositions without SLES
- Easy to handle

## Sustainability benefits Plantapon® SF

- >70% derived from natural, renewable feedstocks
- Suitable for EO-free and sulfate-free solutions
- Does not contain preservative
- Cold processable
- Complexity reduction
